## THE KALA SAMUI'S NEW BEACH CLUB

A peaceful & secluded area in “Chaweng Noi”, *Thongyang Beach* is a hidden beach located near The Kala, Samui.

It is an excellent spot for a nice swim or a relaxing sunbath surrounded by the lush trees from the hill-top overlooking the crystal clear waters of the gulf.

Infamous from Koh Samui's growing numbers of tourists, *Thongyang Beach* is the perfect hideaway if you're are looking for a quiet beach location.

The Kala's Beach Club is accessible by 3 ways:

- **By Walking** (approx. 5 mins)
- **By Kayak** (approx. 300 meters from The Kala's mini jetty)
